## **AGREEMENT**

This Agreement made on June 1<sup>st</sup>, 2009, by and between PALISADES MEDICAL CENTER, hereinafter referred to as the "Medical Center" and the HEALTH PROFESSIONALS AND ALLIED EMPLOYEES, AMERICAN FEDERATION OF TEACHERS, AFL-CIO, hereinafter referred to as the "Union".

### **WITNESSETH**

Whereas, it is the intent and purpose of the parties hereto to maintain, promote and improve the industrial and economic relations between the Medical Center and its employees and to establish a basic understanding relative to rates of pay, hours of work and other conditions of employment.

Now, therefore, the parties hereto mutually agree as follows:

#### **1. UNION RECOGNITION**

- 1.1 The Medical Center hereby recognizes the Union as the sole and exclusive bargaining agent on behalf of all the employees in the collective bargaining unit.
- 1.2 The collective bargaining unit is defined as follows: All full-time, and regular part-time and per diem technical employees including LPNs and GPNs, X-ray technicians, Nuclear Medicine technicians, Ultra Sound technicians, CAT Scan technicians, Special procedure technicians, Laboratory technicians, Histologists, EEG/Evoked Potential technicians, Physical Therapy Assistants, Maternal Child technicians, Nurse technicians, Pharmacy technicians, Cardiac Ultrasound technicians, Vascular technicians, Phlebotomists, OR Tech, Senior OR Tech, EKG technicians, Sr. EKG technicians and Mammography Tech employed by the employer at its North Bergen, New Jersey facility, including the existing mental health facility, but excluding office clerical employees, service and maintenance employees, registered nurses and other professional employees, students, Vice Presidents, Assistant Vice Presidents, Administrative Directors, Assistant Administrative Directors, Coordinators and other supervisors and guards as defined in the Act.
- 1.3 In the event an entire operation or any part thereof is taken over by receivership or bankruptcy proceeding, such operation shall continue to be subject to terms and conditions of this agreement for the life thereof.  
  
In the event of an acquisition of the Medical Center or a merger of the Medical Center, this agreement and its terms and conditions shall be binding on all parties including the successor entity for the life thereof to the extent legally permissible.
- 1.4.1 The terms "employee" or "employees" used in this agreement shall refer to those in the bargaining unit set forth in Section 1.2 hereof.
- 1.5 The Medical Center and the Union agree to the following for the term of the contract commencing June 1, 2009 to May 31, 2011. The Medical Center shall not assert or

challenge the supervisory or non-supervisory status of Registered Nurses, Charge Nurses, Senior or Lead employees as defined in Section 2 (11) of the National Labor Relations Act.

The job duties of Registered Nurses, Charge Nurses, Senior or Lead employees at the Medical Center shall not be considered supervisory/managerial duties as defined by the National Labor Relations Board. This agreement shall expire on May 31, 2009 and does not interfere with the Medical Center's future rights under law.

Bargaining unit work will not be assigned to non-bargaining unit employees if such assignment would result in the reduction of hours, layoff or abolishment of positions of bargaining unit members. This does not limit the Medical Center's ability to train and develop employees or maintain the efficiency of the operation.

## 2. **UNION SHOP AND CHECK OFF:**

2.1 It shall be a condition of employment that all employees of the Medical Center covered by this agreement who are members of the Union in good standing on the effective date of this agreement shall remain members in good standing, and those who are not members on the effective date of this agreement shall, on the thirtieth calendar day following the effective date of this agreement, become and remain members in good standing in the Union.

It shall also be a condition of employment that all employees covered by this agreement and hired on or after its effective date shall, on the thirtieth calendar day following the beginning of such employment become and remain members in good standing in the Union. Where the effective date of the agreement is made retroactive, the execution date shall be substituted for the effective date.

The failure of any person to become a member of the Union at the required time shall obligate the Medical Center, upon written notice from the Union to such effect, and providing that the Union membership was available on the same terms available to other members, to discharge such person.

Further, failure of any person to maintain his/her membership in good standing as required herein shall, upon written notice to the Medical Center by the Union to such effect, obligate the Medical Center to discharge such person.

2.2A Employees (Per Diem see Appendix A #3) shall be on probation for a period of ninety (90) calendar days. This probationary period may be increased by an additional thirty (30) days at the option of the Medical Center with notice to the Union. Accrual and usage of benefits shall not be affected by this thirty (30) day extension.

2.2B The Medical Center shall have the right to discharge employees during their probationary period with or without cause, and such discharge shall not be subject to the grievance and

arbitration procedures of this agreement. Upon the satisfactory completion of probationary period, employees shall be placed upon the seniority list as of their hiring dates. During the employee's probationary period, s/he shall not be entitled to any fringe benefits under this agreement, except as hereinafter provided.

- 2.3 Upon receiving the written authorization of an employee, the Medical Center agrees to deduct from each paycheck membership dues/fees in such amounts as shall be fixed pursuant to the by-laws and constitution of the Union during the full term of this agreement and any extension or renewal thereof.

The Medical Center agrees that it shall forward to the Union, by the 25th of the month following the month following the month for which the dues are collected, a check representing such Union dues and a list of names of employees from whom the deductions were made, the amount deducted, hourly rate of pay and the number of hours worked.

All information will be provided to the Union by hard copy and in computer diskette form compatible with the specifications given by the Union.

- 2.4 The Medical Center agrees to notify the Union with the monthly check-off list of the hire of all employees, their addresses, classification, rate of pay, social security number and the date of birth. The Medical Center shall also inform the Union of changes in the status of employees on the payroll (i.e., full-time to part-time, leave of absence, etc.) and removals from the payroll.

The Medical Center shall provide new employees with a dues deduction authorization form, supplied by the Union, at the end of thirty (30) calendar days of employment and shall forward the signed authorization form to the Union office.

- 2.5 The Medical Center shall provide an updated list of bargaining unit employees on a six (6) month basis, in January and July of each year. Such list will contain alphabetized names, addresses, classification, status, department and date of hire. Such list shall include the alphabetized names and addresses of employees who retired during the preceding month.

All information will be provided to the Union by hard copy and in computer diskette form compatible with the specifications given by the Union.

- 2.6 The Union agrees that it will indemnify and hold the Medical Center harmless from any recovery of damages sustained by reason of any action taken under this article.

- 2.7 The Medical Center will make its best efforts to provide payroll deduction for COPE effective no later than March 1, 2004 subject to Medical Center's ability to upgrade or obtain computer software to accommodate this.

Upon receipt of a voluntary, duly authorized check-off authorization, the Medical Center

shall deduct such amount of monies authorized by employees for the Union's political action fund called HPAE Committee on Political Education (COPE). The amount of money deducted from employees' paychecks and an itemized list of such deductions shall be forwarded to the Union no less than one (1) time per month and no later than one (1) month following the deductions.

**3. CONDUCT OF UNION BUSINESS:**

- 3.1 Union representatives may enter the Medical Center for the purpose of investigating grievances and ascertaining whether the provisions of this agreement are being complied with, provided there is no interference with patient care or interruption of work or administration of the Medical Center, and provided further, that prior to entering the Medical Center proper, they shall first obtain authorization from a designated representative of the Medical Center.
- 3.2 The Medical Center will provide a bulletin board in the following areas: 1<sup>st</sup> floor near the employee entrance, 2<sup>nd</sup> floor near the time clock, Dietary locker room, and 5<sup>th</sup> floor. It is understood that due to possible renovations these locations might change. Such bulletin board will have a glass door that may be locked for the exclusive use of the Union, provided no derogatory or political material is posted thereon. The Union shall provide the Medical Center with a copy of all material to be posted by the Union simultaneous with its being posted.
- 3.3 The Medical Center shall provide a mailbox for Union use, which may be locked, to be located by the time clock.
- 3.4 Employees who attend Labor-Management Committee meetings and grievance meetings during their regularly scheduled hours shall be allowed time off without loss of pay for the purpose of attending these meetings. Such working time spent in attendance shall be considered as time worked for the purpose of calculating overtime.
- 3.5 Orientation of New Employees – The Union shall be given the opportunity to address new employees as a formal part of the orientation process. The Union will provide the employer with the agenda of such presentation.
- 3.6 Recognizing the Union's need to conduct union business and the possibility that its officers might be elected from any of the three (3) separate bargaining units, the duly elected union officers or their designee (who shall come from outside the officer's unit of work, unless no designee outside the unit would be appropriate) will be permitted a grand total of fifty (50) paid work days off each year. These days shall be limited to local union business, conferences, educational purposes, and union meetings.

The Union will schedule this time a two weeks in advance through the Human Resources Division.

Management, insofar as is possible, will not unduly deny requests due to occasional unforeseen events. This time will count as time worked.

4. **REPRESENTATIVES:**

- 4.1 The Medical Center recognizes the right of the Union to designate representatives in such number as are necessary for the enforcement of this agreement but not to exceed ten (10) representatives including a chairperson.
- 4.2 The authority of representatives so designated by the Union shall be limited to, and shall not exceed, the following duties and activities:
  - A. The investigation and presentation of grievance in accordance with the provision of the collective bargaining agreement.
  - B. The transmission of such messages and information which shall originate with, and are authorized by the local Union or its officers.
  - C. Union representatives will make a best effort to inform their supervisor when they are leaving their work area to conduct union business and when they expect to return.
- 4.3 Representatives have no authority to take strike action, or any other action interrupting the Medical Center operation, except as authorized by official action of the Union.
- 4.4 All correspondence addressed to the Medical Center for the President from the Union shall be directed to the President.

5. **SENIORITY:**

- 5.1 Seniority is defined to mean the length of continuous service with the Employer from the date of last hiring.
- 5.2 Irrespective of their seniority, the representatives, including the President, shall be the last ones laid off and the first ones rehired, provided that they are qualified to fill such jobs that are available to them.
- 5.3 **LAYOFF/REDUCTION OF HOURS:**
  - A. Should a layoff or reduction of hours be necessary, the anticipated length and reasons for such shall be sent to the Union. Such notification shall be given as soon as possible. A minimum layoff notice of twelve (12) calendar days shall be provided to the Union, the affected employees and those who might be affected, except in cases of an unplanned layoff.

An unplanned layoff shall be defined as circumstances which render the Medical Center unable to operate in whole or in part and the Medical Center does not have advanced notice such as fire, flood, explosion, equipment failure, war, act of God or other disaster.

- B. At the request of the Union, the Medical Center will meet with the Union to discuss any matters the Union has concerning the layoff or reduction of hours.
- C. In case of a layoff in a particular patient care area (unit or department), layoff shall be by Medical Center-wide seniority in the patient care area to be affected, provided the remaining employees have the skill and ability to perform the remaining available work. The Medical Center may not be arbitrary in evaluating the skill and ability of the employees to perform the remaining available work.
- D. In case of a layoff, the following procedure shall be applied to an affected employee in order of Medical Center-wide seniority:

- 1. The Medical Center will first seek volunteers. If there are no volunteers, then,
- 2. The most senior affected employee shall be offered a choice of any vacant position for which s/he has the qualifications and abilities to perform the job. Rather than deny an employee the right to move into a vacant position that the employee has most but not all the qualifications needed, the Medical Center will make its best efforts on a case-by-case basis to allow the employee a reasonable training period in the vacant position.

After an employee has completed a reasonable training period and s/he is not able to perform the job then s/he may continue to exercise their layoff rights as per Article 5.3D.

- 3. If the employee refuses a vacant comparable [same shift, classification (i.e., part-time or full-time), job title, and rate of pay] position, s/he will be placed in a layoff status.
- 4. If there is no comparable vacant position for which the affected employee has the ability to perform, the employee may bump as follows provided s/he has the necessary qualifications and abilities to perform the job. Rather than deny an employee a requested bump into a position that the employee has most but not all of the qualification needed, the Medical Center will make its best efforts on a case-by-case basis to allow that employee a reasonable training period in the position.

After an employee has completed the reasonable training period and s/he is not able to perform the job then s/he may continue to exercise their layoff rights as per Article 5.3D.

- a) A full-time employee can bump the least senior full-time or least senior part-time employee at the option of the affected employee.
  - b) A part-time I employee can only bump a part-time I or II employee. A part-time II employee can only bump a part-time II employee.
  - c) A laid off employee is eligible to work in the per diem float pool.
  - d) The most senior employee may bump the least senior employee on the same shift and in the same classification (i.e., full-time or part-time). If there is no less senior employee on the same shift and in the same classification who the employee can bump, then,
  - e) Viewing the employees on the other shifts as one group, the most senior employee may bump the least senior employee in this group in the same job title.
5. If the employee chooses not to bump the least senior person in the bargaining unit pursuant to Article 5.3 (D)(4), the employee will have been deemed to have waived his/her bumping rights and will be placed in a layoff status.
  6. Each affected employee will have two (2) working days from the date of notification of layoff and bumping options in which to advise the Medical Center whether or not they intend to bump.
  7. All layoffs will occur on the designated effective date of the layoff, provided the appropriate notice has been given. Bumping rights will not be affected by the layoff.
- Employees who are in the process of exercising their bumping option after notice of layoff and who successfully bump, will be entitled to use accrued but unused vacation, holiday or personal days for time missed from work because of a delay in the process, up to a total of ten (10) days.
8. The Medical Center shall send notice of layoff to the affected employees either by personal delivery in the Medical Center or by certified and regular mail to the address provided by the employee. It shall be the responsibility of the employee to provide an address at which the employee can be reached in a timely fashion of the sending of the notice by the Medical Center.
  9. The accrual, maintenance and use of seniority and benefits will be the same as if an employee was on an unpaid leave of absence.
- E. In the case of a reduction of hours in a department or unit, the Medical Center will first seek volunteers, then,

1. The least senior employee in the unit or department will have their hours reduced, provided the remaining employees have the necessary skills and ability to perform the remaining available work.
  2. If the employee does not wish to take a reduction of hours, s/he will be offered a choice of accepting any vacant position for which s/he possesses the necessary skill and ability to perform.
  3. If there are no vacant comparable positions for which the employee has the ability to perform, the affected employee may bump the least senior employee on his/her shift, provided s/he has the necessary skills and ability to perform the job. The affected employee may only bump into a position whose hours are fewer than or equal to the regularly scheduled hours of the position of the bumping employee.
  4. An employee, who chooses not to 1) bump, 2) accept the vacant comparable position, or 3) accept a reduction of hours, will be placed in a layoff status.
- F. No Per Diem will be used to replace a laid off employee or an employee whose hours have been reduced. This provision does not affect the Medical Center's right to hire and use Per Diems.
- 5.4 RECALL: Employees in a recall status will have first preference for any vacant position for which they have the ability and skills to perform. Employees will be recalled in the reverse order in which they were laid off.
- 5.5 Employment shall be deemed terminated and seniority shall be deemed broken under the following circumstances:
- A. When an employee is laid off for a continuous period equal to his/her length of service or one (1) year, whichever occurs first;
  - B. When an employee is discharged for cause;
  - C. When an employee quits his/her job;
  - D. Extending a leave of absence without prior notification to their manager;
  - E. Accepting new employment when on a leave of absence;
  - F. In rehiring after layoff, the Medical Center shall send notice to the employees by certified mail or telegram to the last known address appearing on the Medical Center's records. If within three (3) days of receiving such notice, an employee fails to report, the job may be permanently filled. If the employee contacts the Medical Center within ten (10) days after notification, s/he is then eligible to be recalled to the next available position. If during this period, the employee fails to contact the Medical Center, s/he will be deemed as having voluntarily resigned.

G. When an employee has not been returned to work within six (6) months from the date they were ready to return from a leave of absence, but in no event more than eighteen (18) months from the date of commencement of the leave of absence.

5.6 The Medical Center shall maintain a seniority list showing the names of employees, date of hire, classification and department and shall keep such list current. The Medical Center shall provide a copy of said list to the Union every six (6) months.

6. **LEAVE OF ABSENCE:**

6.1 Any leave of absence shall not be unreasonably denied to an employee who has completed six (6) months of employment.

For purposes of this Article, leaves of absence shall be divided into two (2) categories; paid leaves of absence and unpaid leaves of absence.

Paid leaves of absence shall include: medical leave (including maternity leave); jury duty (Article 24.2); and bereavement (Articles 24.1 and 24.3). When a medical leave is taken, accrued time for illness/injury (Article 20) may be used in conjunction with State Disability Benefits, if so desired. A leave for illness, injury, disability, or combination thereof, shall not exceed six (6) months commencing with the first day of absence and may be extended for an additional six (6) months at the option of the Medical Center.

Unpaid leaves of absence shall include: personal leave, military leave, educational leave and family leave. Medical leave becomes unpaid if accrued time for illness/injury is not available. Jury duty becomes unpaid after exceeding a three (3) week period.

An employee who obtains any leave of absence by providing false reasons shall be subject to discipline/discharge.

6.2 A personal leave of absence will not be unreasonably denied, after completion of one (1) year of employment, provided the operation of the involved department/unit so permits.

<u>Length of Service</u>	<u>Length of Leave</u>
1 year or more	45 days

Vacation and personal accruals shall be permitted to be taken in conjunction with a personal leave only when the operation of the involved department/unit so permits.

6.3 An educational leave not to exceed one (1) year shall not be unreasonably denied to any employee who has completed one (1) year of employment.

6.4 Military leave shall be granted in accordance with applicable law.

6.5 Family leave shall be granted in accordance with applicable law. In the case of newborn

child care, time shall be granted not to exceed a total of six (6) months (including family leave time), commencing with the first day of absence and may be extended for an additional six (6) months at the option of the Medical Center. This paragraph should not be construed as granting health benefits beyond applicable family leave law.

- 6.6 Where possible, a request for a leave of absence shall be submitted to the Medical Center thirty (30) days prior to the commencement of the leave being sought. The Medical Center shall respond in writing to all such requests within ten (10) days, excluding Saturdays, Sundays and Holidays, after receipt. If a leave of absence is denied, the Medical Center shall notify the Union, in writing, within twenty-four (24) hours of the time the employee is notified.
- 6.7 Upon the expiration of a leave of absence as designated below, the employee shall be entitled to return to work in the same position without loss of previously accrued seniority. Upon the expiration of a leave of absence longer than as designated below, the employee shall be entitled to return to work in the same position, if available, or the first vacancy in another position for which s/he is qualified, without loss of previously accrued seniority, until a vacancy in his/her former position becomes available.

LENGTH OF SERVICE

GUARANTEE OF POSITION

1 year or more but less than 6 years	60 days
6 years or more but less than 12 years	90 days
12 years or more	120 days

The Medical Center will make its best efforts to fill the position on a temporary basis for the entire length of an employee's leave of absence. After the period for which the position is guaranteed, as set forth above, or after the employment of the temporary substitute has terminated, whichever is later, the Medical Center may fill the position on a permanent basis.

The Medical Center may post such position prior to the expiration of the guaranteed time period set forth above. If the position has not been filled when the employee is able to return upon the expiration of the leave of absence, the employee shall be entitled to return to his/her former position.

- 6.8 An employee who is unable to work because of any injury or illness related to his/her employment at the Medical Center shall be granted a leave of absence not to exceed eighteen (18) months.
- 6.9 Employees on an unpaid leave of absence will not accrue benefits except as noted in

Article 26.1.3 (unpaid medical leave of absence only). Employees on a paid leave of absence will continue to accrue benefits for the first forty-five (45) days of their leave. After the first forty-five (45) days of a paid leave of absence, employees will not continue to accrue benefits except as noted in Article 26.1.3. Employees on a Worker's Compensation leave (as referred to in Article 6.8) shall continue to accrue benefits for the entire length of the leave. Employees on a personal leave of absence shall not accrue benefits. For the purpose of this Article, the word "benefits" refers to time accrued for illness/injury, vacation days and personal days.

- 6.10 An unpaid leave of absence shall be granted to an employee with two (2) years of service to work full-time for the HPAE. This leave shall be limited to a maximum of six (6) months, and must be requested in writing. The Union will endeavor to give thirty (30) days notice of the leave. It is understood, however, that in some circumstances the Union will not be able to give a full thirty (30) days notice. In those cases, the Medical Center will make its best effort to release the employee as soon as possible. No more than one employee at any given time shall be eligible for Union leave. The employee shall be returned, after giving ninety (90) days notice in writing, to the exact position (same title, shift, rate of pay, unit/department) held prior to the leave without any loss of seniority. The position shall be posted and filled during the length of the leave on a temporary basis.

## 7. **DISCHARGE AND DISCIPLINE:**

- 7.1 The Medical Center shall not discharge, discipline or suspend any employee without just cause.
- 7.2 The Union, the Chairperson, and the employee involved shall be advised in writing of any discharge, suspension or disciplinary action. A copy of the notice given to the employee shall be mailed to the Union within forty-eight (48) hours.
- 7.3 A grievance by an employee claiming that s/he has been unjustly or improperly discharged, disciplined or suspended must be submitted to the Medical Center, in writing, within ten (10) days of the written notification of discharge, disciplinary action or suspension.

Discharges or suspensions shall be brought directly to Step 3 of the grievance procedure. If a grievance is not submitted within the time limit provided herein, the rights of the grievant and/or Union shall be considered to have been waived under this Article.

- 7.4 The time limits specified herein shall exclude Saturdays, Sundays and holidays.
- 7.5 Prior to an employee being brought into a disciplinary conference, or an investigational conference that may lead to discipline of the employee being interviewed, the employer representative shall inform the employee of the nature of the conference, including the possibility of a discipline being issued. An employee shall have the right to have a Union Representative of his or her choice at either of these conferences. In the event a repre-

sentative is requested, but not available, the Medical Center may temporarily remove the employee from the performance of his/her work, but may not proceed with the discipline until such time a representative is available.

- 7.6 A discipline shall not be issued more than 20 days after the event/incident that led to the issuance of the discipline. Discipline resulting from complaints from regulatory agencies, patient complaints, and discipline issued under the Medical Center's Attendance/Lateness Policy and Procedure will be excluded from this limit.
- 7.7 For disciplines involving "no-call, no-show" the first discipline will be a three-day suspension. The discipline shall be removed from the employee's personnel record after nine (9) months, if there are no further disciplines for "no-call, no show" during the nine month period.

## 8. **GRIEVANCE AND ARBITRATION:**

- 8.1 For the purpose of this agreement, a grievance is defined as a dispute arising out of the application or interpretation of any of the provisions of this agreement or any Medical Center rule, regulation or practice and shall be processed in the following manner:

STEP 1. An employee having a grievance and/or his/her Union representative shall arrange a meeting with the employee's immediate supervisor for the purpose of discussing the grievance.

STEP 2. If the grievance is not resolved in Step 1, the employee and/or the representative shall within ten (10) days of the occurrence giving rise to the grievance submit a grievance in writing to the Human Resources/Personnel Department. The grievance shall be considered resolved unless submitted in writing within the time limit provided herein.

The Director or other representative of the Medical Center shall meet with the Union representative within five (5) days of the receipt of the written grievance and will respond in writing within five (5) days of the close of that meeting.

The grievance shall be considered resolved unless written notification of going to Step 3 is received by the Medical Center within five (5) days of Medical Center Step 2 reply.

STEP 3. If the grievance is not resolved at Step 2, a meeting shall be held between the Union Chairperson and/or designee and the Vice President of Human Resources, or any other representative within five (5) days of the Step 2 reply. The Medical Center shall respond in writing as to their decision within seven (7) days of the close of that meeting.

STEP 4. **ARBITRATION:** If a grievance is not satisfactorily adjusted during the foregoing Steps, the Union may refer the matter to arbitration within thirty (30) calendar days of the receipt of the Medical Center's Step 3 answer by giving notice to the Medical Center and to the American Arbitration Association in writing of intent to arbitrate. If the Union fails to refer the grievance to arbitration within thirty (30) calendar days of receipt of the

Medical Center's Step 3 answer, the grievance shall be considered waived under this Article.

- 8.2 All grievances and written answers given thereto at Step 3 shall refer to the relevant articles of the collective bargaining agreement. All grievances shall be in writing and signed by the aggrieved employee or representative. Grievances may be written on Medical Center time.
- 8.3 Failure by the Medical Center to answer a grievance within the time prescribed at any step shall not be deemed acquiescence thereto and the Union may proceed to the next step.
- 8.4 Both parties agree to accept the decision of the arbitrator as final and binding. If either party fails to comply with the award of the arbitrator or the procedures of this Article, either party has a right to take all legal action to enforce compliance.
- 8.5 The arbitrator appointed under the above procedure shall interpret the provisions of this Agreement and shall have no power to enlarge upon or reduce the obligations of the parties under the agreement.
- 8.6 The arbitrator's fee shall be borne equally by the Medical Center and the Union.
- 8.7 For the purposes of this Article, "days" when used herein shall exclude Saturdays, Sundays and holidays unless preceded by the word "calendar", in which case all days including Saturdays, Sundays and holidays shall be counted. The day of the occurrence shall not be counted in computing the time limits herein.
- 8.8 The parties may mutually agree, in writing, to extend any of the time limits herein.
- 8.9 All grievances submitted to arbitration shall be heard within one hundred eighty (180) days of the date the grievance was filed for arbitration.
- 8.10 Attendance at the first step grievance meeting shall be limited to the grievant, his/her Union Representative and the supervisor. Attendance at the second step meeting shall be limited to the supervisor and the Assistant Vice President, the Union Representative and the grievant. Attendance at the third step meeting shall be limited to the Vice President of Human Resources and two Management personnel, the Grievance Chairperson and his/her designee, the grievant and any witnesses requested by the parties. The HPAE staff person shall not be counted as one (1) of the Union Representatives for the purpose of these limitations.

## 9. **STRIKES AND LOCKOUTS:**

- 9.1 Neither the Union nor any of the employees covered by this Agreement shall engage or participate either directly or indirectly in any strike, slowdown, cessation or interruption of work, interference with the shipment of goods or materials, boycott, picket line, or

interference with the operation of the Medical Center in any way.

The parties are aware of the volatile conditions and rapid change in the health care industry with respect to increasing wage rates. Therefore, HPAE agrees that it will negotiate during the term of this Agreement, upon the written request by Palisades Medical Center, with respect to increasing the wage rates for employees in any specific job title, and/or in any specific area of the Medical Center. These negotiations will be concluded within two (2) weeks of the request by PMC to negotiate.

The Medical Center shall not implement a wage increase for employees in any specific job title and/or area absent a written agreement by the HPAE. However, such agreement may not be unreasonably denied. Should the parties fail to reach an agreement, the Medical Center's last offer will be submitted to expedited arbitration for a final and binding resolution.

The arbitration will be held within one (1) week of the submission of the dispute regarding the Medical Center's last proposal. If the first arbitrator cannot conduct the arbitration within the time frame, the parties will use the second

arbitrator. If neither of the two (2) arbitrators will conduct an arbitration within the time frame, the parties will submit the case as quickly as possible to expedited arbitration pursuant to the rules of the American Arbitration Association. This advancement will be deducted from the employee's final pay check if s/he terminates before his/her first year.

18.6 RESIGNATION:

- A) In order to receive terminal benefits, an employee who resigns is required to provide three (3) weeks advance notice to the Medical Center. (B) If two (2) or more employees request the same holiday off and staffing requirements do not permit all requests to be granted, the employee who worked the same holiday the prior year shall have preference.

(C) Among employees requesting the same holiday off who worked that holiday the previous year, seniority shall prevail when all requests cannot be granted.

19.5 Employees shall be paid time and one-half (1 ½) for time worked on the legal holiday specified in Article 19.1 hereof and shall, in addition, receive a day off with pay within forty-five (45) days of the holiday. The employee and their manager will mutually agree on the scheduling of this day. If agreement is not reached, the manager will schedule the day to ensure it is taken and not lost. An employee who is mandated to work additional hours beyond the regularly scheduled shift on Labor Day, Thanksgiving Day, Christmas Day, or New Year's Day shall be paid two times (2) the base pay for all hours worked beyond the regularly scheduled shift. If a holiday falls on an employee's regularly scheduled day off, the employee shall receive another day off with pay within thirty (30) days of the holiday.

19.7 Unless prevented from doing so by illness, injury, jury duty, or death in immediate family, an employee, to qualify for holiday pay, must work his/her last scheduled shift prior to the designated holiday or day in lieu thereof, and his/her first scheduled shift subsequent to the designated holiday or day in lieu thereof, and if scheduled to work the holiday, his/her full shift on the holiday.

The Medical Center may demand proof of the foregoing, and may deny pay for such holiday if proof is requested and not furnished. An employee does not qualify for holiday pay if absent due to illness or injury for more than thirty (30) consecutive calendar days immediately preceding the holiday.

For Full-time employees, accruals shall be credited at the rate of one (1) day for each month of active employment, retroactive to the date of hire. For Part-Time I employees, accrual time shall be on a pro-rated basis. In the event of personal illness or injury, said accruals shall be used to avoid loss of income and be paid at the employee's current rate of pay. The employee may accrue up to a maximum of 960 hours.

To be eligible for these accruals under this Article, an employee must be absent due to the employee's illness or injury provided a day shift employee shall notify his/her supervisor at least one (1) hour before the start of his/her regularly scheduled shift and an evening or night shift employee shall notify the supervisor at least four (4) hours before the start of his/her regularly scheduled shift. In addition, the employee shall reasonably keep his/her supervisor informed of his/her progress while absent.

20.2 When an employee is eligible, s/he must apply for State Temporary Disability benefits. If s/he has accrued time available, the Medical Center shall pay the difference between the Temporary Disability benefits and the employee's regular wages. Until the State Disability check begins, the Medical Center will pay full sick time accrual, and will be paid back when state disability pay is received by the employee.

20.3 The Medical Center may require proof of illness for an absence of three (3) consecutive days or more and may request the employee be examined by a Medical Center designated physician before being permitted to return to duty. If the employee is in a disciplinary mode (at the level of written discipline and/or suspension) for attendance, proof of illness/injury may be requested for any absence.

20.4 Part-Time I employees shall be credited for accrued hours on a pro-rata basis. Such part-time employees shall have the option to use accrued hours in eight (8) hour or 4.8 hour increments for eight (8) hours of time lost due to illness or injury, at the option of the employee. This section is not intended to affect the payment of paid time accruals as described in Article 20.2 when an employee is eligible for temporary disability benefits.

20.5 Unused accrued time for illness/injury will be forfeited upon termination, unless the employee qualifies for buy back as per Article 20.9.

- 20.6 Time accrued shall not be used for illness or injury occurring during a scheduled holiday, personal day or vacation, unless the employee is hospitalized. Accrued time will apply to the extent earned if illness or injury prevails beyond a scheduled holiday, personal day or vacation.

None of the rights contained herein shall be exercised in a capricious or arbitrary manner.

- 21.2 The Medical Center shall notify the Union of changes in policies and practices, and shall discuss with the Union upon request the effects of such changes upon bargaining unit employees. The preceding sentence shall not be deemed as a waiver by the Union of any right it may have to negotiate under this agreement or applicable law. Neither party shall delay scheduling such discussion.

- 21.3 Whenever a substantial change is effected in any job which results in substantially increased or decreased responsibilities, or which may call for a reclassification as to skill, or whenever a new job is established, a new wage rate and/or job title for said job shall be established by the Medical Center as to reflect properly the job content. The Medical Center shall notify the Union whenever a new wage rate and/or job title are established.

A job so rated shall be given no less than forty-five (45) working days trial period. At the end of such period, if the Union does not agree to the new rate and/or job title, it shall be subject to negotiation by the parties; and if they fail to agree, it shall be subject to arbitration as provided in Article 8, provided that the Arbitrator's authority shall be limited to a determination of the appropriate rate of pay and/or job title based upon a comparison with existing rates of pay and/or job titles of employees of the Medical Center performing comparable work wherever such exists.

## **22. HOURS OF WORK AND OVERTIME:**

- 22.1 This Article is intended to define the normal hours of work and shall not be construed as a guarantee of hours of work per day or week, or of days of work per week..
- 22.2 The basic work week shall consist of forty (40) hours. The basic work day shall consist of eight (8) hours per day exclusive of a thirty (30) minute meal period.
- 22.3 All work performed in excess of eight (8) hours in a day or forty (40) hours in any one (1) work week shall be considered overtime and compensated for at the rate of time and one-half (1 ½). Sleep Days shall count as time worked in computing weekly overtime.
- 22.4 The Medical Center shall have the right to require employees to work a reasonable amount of overtime, which shall be equally distributed among employees in their respective professions, providing they are capable of performing the work.

The Medical Center can deny overtime to an employee who is deemed to be physically unable to perform the work or whose judgment appears to be impaired.

### **Voluntary Overtime**

When overtime is deemed necessary by the Medical Center, the Director shall ask for volunteers within the respective profession. When two or more employees in the same title volunteer for the overtime assignment, the Medical Center shall assign the overtime to the most senior qualified employee. Voluntary overtime shall be distributed on a rotating basis.

Employees who have volunteered to perform overtime and who call to cancel must provide the Medical Center with 4 hours notice of their intent to cancel. Overtime availability lists shall be posted on each unit.

## **Mandatory Overtime**

When the Medical Center is not able to secure volunteers to work the overtime assignment, the Director will assign the least senior qualified person to work the assignment, on a rotating basis. Mandatory overtime shall be distributed on a rotating basis.

The Medical Center will make its best efforts to provide an employee who is to be mandated to work overtime with as much notice as possible. The Medical Center will endeavor to limit mandating a given employee to no more than 24 hours of mandatory overtime per month.

If an employee is mandated to work a shift again within 24 hours at the end of the mandated shift, the employee will be allowed an unpaid sleep day (an excused absence). If the Medical Center requests, the employee shall work the unpaid sleep day at the rate of two (2) times the base pay for each hour worked, or be paid at straight time for working the unpaid sleep day and receive an unpaid day off within the current or next pay period. 22.5 Employees shall be entitled to two (2) breaks of fifteen (15) minutes each during each eight (8) hour shift. Employees shall be entitled to three (3) breaks of fifteen (15) minutes each during each twelve (12) hour shift. Breaks shall be scheduled by mutual agreement between the employee and the Medical Center.

22.6 The weekend work requirements of an employee shall not be increased unless the affected employee agrees to the change. The foregoing does not limit the Medical Center's right to hire new employees with the understanding that they shall have greater weekend work requirements than other employees in the same department/unit, however no full-time or part-time employee shall be required to work more than every other weekend. A weekend off, for the purpose of this section, is defined as two (2) days - Saturday and Sunday.

Effective January 1, 2000, employees hired after January 1, 1993 will be required to work every other weekend. Effective January 1, 2000, employees hired prior to January 1, 1993 will be required to work alternate weekends until they complete 25 years of service. Employees who qualify for the weekend work exemption may elect to work one or both days of a weekend for an equal exchange of regularly scheduled weekdays, with management approval. If such an election is made, a differential of \$3.10 per hour will be paid for all hours worked between 10:45pm Friday and 7:14am Monday.
