

## Local 5142 Call to Action: Nov 17th

### *Stand Together for a Fair Contract:*

Administration continues to push for anti-worker proposals to limit our union rights. We will not accept this, so instead we have called in a Mediator to come to our next bargaining session. Mediators are often brought into negotiations to assist both sides in trying to reach a settlement. They **do not** have the power to impose a settlement or to determine contract terms.

By standing together in **solidarity**, we will tell administration we can demand a FAIR CONTRACT NOW.

**Stand In Solidarity**  
**Flyering and Button Day**  
**November 17<sup>th</sup>, 2016**  
**Meet at 6:15 at the Gazebo**  
**Flyering from 6:30 – 7:30am**

This is a critical moment for our fight for a fair contract, and we must stand together. We'll meet at 6:15 at the gazebo at by the employee entrance to prep and then pass out flyers and buttons for members to wear during the day shift.

**Wear a Solidarity Button, Help Flyer and let you voice be heard!**
