## Message from the President

HPAE Local 5135 members, it is imperative that you talk to your site representatives to find out what changes have been made to the contract. I would also advise you to become familiar with the contract. Our current contract end June 30, 2018. Remember the additional float holidays must be used by June 30, 2018 or you will forfeit the extra float holidays. Also review the Rutgers inclement weather policy. Summer time holiday request for time off were due by February 15, 2018.

Mrs. Lorna Beaumont will handle any complaints at Jamesburg and Bordentown.

Payroll issues: We strongly encourage our members to complete the tracking form and notify your immediate supervisor about any payroll issues. Keep a copy of all the material you send.

We will be meeting with labor management about the payroll issues and scheduling grievances. We will be starting a staffing committee for UCHC. If you're interested, please contact me or your site representative.

Members should email me with any specific questions about the contract so that we can discuss

these issues during the site membership/general meetings. I can be reached via email at: [sbrovr@aol.com](mailto:sbrovr@aol.com) or by calling home 732-502-0048, cell 848-459-6588, or acwy 609-298-0500 ext. 1451 Monday – Friday

### Spring and Summer Vacation Requests

In an attempt to prevent any disagreements with management remember to submit vacation requests in timely manner. Also, check your leave balances to make sure that your time is accruing correctly. A member reported a discrepancy in the leave balance recently. If you notice a discrepancy, report it immediately to Stephanie Plaskow in Human Resources.

We would like to congratulate Debbie Raab for winning the site representative position
