The nominations process has been posted on the Union Bulletin Board at the work place. The committee advised members in the workplace of the process and provided nomination petitions. In addition, a mailed notice has been sent to every member about the union meeting, nominations and the deadline for receipt.

The deadline for receipt of nominations is scheduled for July 20, 2017 at 5:30 pm. Nomination petitions have been received by the deadline. The committee verified that the nomination petitions were correctly submitted and that the nominees accepted the nomination the same evening.
