

Labor Volunteers Needed

Over the past 8 years, we've had to endure Chris Christie's failed policies and stalemates in the legislature. With Election Day approaching quickly, the labor movement has an opportunity to elect Phil Murphy for Governor and Sheila Oliver for Lieutenant Governor. In addition, we can help elect HPAE endorsed legislative candidates to create a pro-worker majority in the legislature on Tuesday, November 7th. As we know, there's no such thing as a sure victory. This is why we encourage every HPAE local to recruit volunteers to participate in labor walks between 9:00 am – 12:00 pm, each Saturday through Election Day. **Volunteers should bring their smartphones to utilize MiniVAN, our app-based walk system.** Only through the efforts of our volunteers can we realize the strength of our labor movement. Walking together, we will win together!
