| **Wages**                 | 3% across the board pay increase for all staff in 2020  
New wage scale and market rate adjustment. Existing Cert, education and differentials will be built into the new base rate or the nurse goes to the new pay scale, which ever is higher. (wage worksheet attached)  
1.5% recognition pay from May 17  
New pay scale to begin July 12th. No Retro.  
July 1, 2021: 2% Merit/performance evaluation raise  
July 1, 2022: 2.25% Merit/performance evaluation raise  
No Me too Clause  
All domestic Years of Experience (YOE) applied to new wage scale, up to 30 years.  
YOE is rounded up for current RN’s |
| **Wage scale appeal process** | RN’s will be able to appeal if their calculated new base rate differs from the first paycheck.  
Results for RN YOE has been provided to Union.  
Confirm your YOE with your manager NOW.                                                                                                                                  |
| **Preceptor differential/program** | Increased to $1.50/hr  
Preceptor language strengthened                                                                                                                                         |
| **Charge differential**   | Increased to $1.75/hr                                                                                                                                                                                                     |
| **Education differential** | MSN increased to $2.50/hr  
BSN built into new base rate                                                                                                                                          |
| **National certification** | Annual $2500 bonus for certification pay, prorated for PT  
Current certification pay will be built into base rate. No nurse will lose their existing pay.                                                                |
| **Tuition reimbursement**  | Increased to $5250 FT and $2625 for PT                                                                                                                                                                                     |
| **Health Insurance**      | No changes to benefits or plan design  
Employer has limited ability to make future changes                                                                                                                   |
