ARTICLE 33 — LAYOFF**

33.1. Should a layoff be necessary, the anticipated length and reasons for such shall be sent to the Union. Such notification shall be given ~~as soon as possible~~ **at least two (2) calendar days in advance of the formal notification to affected employees**. A minimum layoff notice of fourteen (14) calendar days shall be provided to the Union, the employees affected and those who might be affected before any layoff takes place. At the same time employees shall be advised of all vacant positions and/or bumping rights, except in situations that Inspira could not have reasonably foreseen; such as natural disaster (such as fire, flood, act of God, explosion, ~~prolonged equipment failure~~, or war) and in those cases the Hospital will give such notice as is reasonable and practicable under the circumstances.

33.2. At the request of the Union, the Employer and the Union shall meet within one (1) week to discuss any possible layoff in order to explore alternatives to layoff including, but not limited to, job sharing and voluntary reduction of hours. Inspira will advise the Union of all vacant positions and/or bumping rights.

33.3. Inspira shall determine the parameters of the layoff and areas affected, including but not limited to the centers, units or departments, sites, shifts, offices, and/or skill sets where layoffs or reduced hours are required, including the number of employees (as well as FTEs) that are required for the layoff or reduction. In such centers, units or departments, sites, shifts, offices, and/or skill sets, any layoff or reduction in hours shall be done first by job classification, and within those job classifications in reverse order of bargaining unit seniority. In cases where two (2) or more individuals who are affected by a layoff in a particular unit or department, site or office, have the identical seniority dates the determination of whom to lay off shall be made by Inspira utilizing the following criteria:

33.3.1. License(s)

33.3.2. Experience in the new unit or department.

33.3.3. Completed orientation in the new unit or department due to having previously worked in the new department.

33.3.4. Attendance and tardiness record.

33.4.5. Regular Part Time and Regular Full Time RNs from the class of employees identified for layoff shall be laid-off

33.5. Vacant Positions. Employees who are laid off or reduced in hours shall be eligible for all available vacant positions in the system, including all positions held by contracted agency, ~~on all shift for which the employees are qualified.~~ If an employee is offered a comparable position and the employee refuses the offer, the employee shall be deemed to have resigned from employment. ~~An employee shall be deemed qualified if such employee can independently perform the duties of the position within thirty (30) days, however, this 30-day period may be extended by Inspira.~~ Comparable position is defined as similar same job classification (full time, part time, Per Diem), and same shift (day, evening, night), regardless of any unit, department or geographical location. Once an employee accepts the new position, the employee will be granted a full orientation period according to the practices of the unit or department.

33.6. Bumping Rights

33.6.1. In the event that no comparable vacant position is available, the employee may exercise a one-time right to bump the least senior employee in the bargaining unit on the same shift, provided the employee is qualified to perform the duties of the position within thirty (30) days, however, this 30-day period may be extended by IMC.

If the employee refuses to bump the least senior employee on the same shift, then such employee shall be deemed to be in a layoff status with rights to severance, pursuant to Article 34. Full time employees may bump part time employees but part time employees may not bump full time employees. Laid off employees must exercise their bumping rights, if any, within ~~forty-eight (48)~~ seventy-two (72) hours of being notified of their options by Inspira.

33.6.2. The employee who is bumped pursuant to 33.6.1 above will have the choice of taking any comparable vacant position or being laid off

33.7.1. Individuals on layoff will be recorded on a Recall List maintained by the Human Resources Department. They will remain on the Recall List for a period of six months following layoff.

33.7.2. Whenever a vacancy exists, individuals will be recalled in reverse order of layoff, according to need, classification and present ability and skill to do the essential job functions.

33.7.3. Written notice of recall will be sent by Certified Mail to the last known address of the individual concerned. This notice will state the date on which he/she must contact the Human Resources Department and report to work. It is the responsibility of individuals to keep Inspira informed of their correct address. Refusal to accept recall to the same or equivalent position will remove the individual from the list as of the effective date of recall.

33.8. Status of Benefits During Layoff

33.8.1. Once layoff notice is given, the employee needs to make arrangements with a Human Resources representative to review the total benefit package.

ARTICLE 47 – WEEKEND REQUIREMENT

47.1. Employees are required to work weekend shifts as scheduled but are required to work no more than every other weekend. In units that have adopted scheduling guidelines, employees are required to work no more than six weekend shifts in a six-week schedule. Inspira may waive this requirement on a shift by shift basis based upon the needs of the employee, patient needs, staffing levels, and needs of Inspira, provided this option is offered to all employees on an equitable basis.

47.2. An unscheduled weekend absence shall be made up by the employee unless they the employee provides, within five business days of the absence or absences in question, dated proof of a visit with a medical provider showing that the employee had an illness or injury sufficient to exclude them the employee from work, and either have accrued New Jersey Earned Sick Leave available or meet the qualifications for leave under the Family and Medical Leave Act. Employees who provide such documentation shall be entitled to use their accrued New Jersey Earned Sick Leave. Documentation of such illness or injury shall not be unreasonably questioned or denied.

When required, the make-up weekend will be mutually agreed upon by the employee and the manager and shall be worked no later than three (3) months after the weekend absence. If the weekend is not made-up by mutual agreement of the employee and the manager by the expiration of the three-month period, the manager will schedule the make-up weekend. This may be waived at the discretion of the manager.

47.3 This shall not apply to employees hired with a specific weekend requirement.

47.4. Individual units may propose alternative weekend scheduling practices. Inspira may, in its sole discretion, accept or refuse such proposals. If an alternative weekend scheduling practice is implemented, and after implementation, Inspira finds that the practice fails to meet staffing needs, patient needs, or other operational needs, Inspira may discontinue the alternative weekend scheduling practice upon 30 days notice to the Union, reverting the weekend scheduling to the parameters set forth in paragraphs 47.1-47.3 above.

ARTICLE 48 – HOLIDAY SCHEDULING

48.1 Holidays Defined

Holidays are defined for the purpose of holiday pay as follows:

(1) for twelve (12) hour shifts, holidays are defined as beginning on 7:00PM of the Eve of the holiday until 7:00PM of the night of the holiday, except for Christmas Day and New Year's Day which begins at 3:00PM on the Eve of the holiday;

(2) for eight (8) hour shifts, per diem, and off-shift employees, holidays are defined as beginning 11:00PM on the Eve of the holiday to 11:00PM on the night of the holiday, except Christmas Day and New Year's Day which begins at 3:00PM of the Eve of the holiday.

48.2 Recognized holidays for the purpose of holiday pay:

1. New Year's Day
2. Memorial Day
3. July 4th
4. Labor Day
5. Thanksgiving Day
6. Christmas Day

48.3 Holiday Pay

All regular full-time and regular part-time employees who work on any of the recognized holidays shall be paid at the rate 1.5 times the Employee's regular compensation of pay. There shall be no "pyramiding of time" (as defined by Section 46.3) when working a holiday. If an employee has an unscheduled absence either on or forty-eight (48) hours preceding or following a holiday, the employee may not use PTO time for payment related to the unscheduled absence(s) unless they provide dated documentation from a medical provider showing illness or injury sufficient to exclude them from work and have accrued New Jersey Earned Sick Leave available. Such documentation shall not be unreasonably questioned or denied. Employees who provide such documentation shall be entitled to use their accrued New Jersey Earned Sick Leave if available.

48.4 Holiday Scheduling

48.4.1. Except as modified by this Agreement, Hospital employees are required to work weekend shifts as scheduled and are required to work every other holiday. Inspira in its sole discretion, may waive this requirement on a shift-by-shift basis based upon the needs of the employee, patient needs, staffing levels and needs of Inspira, and excuse employees starting with the employee with the greatest bargaining unit seniority.

When there are more employees on the holiday rotation for MCH than are needed to work the holiday, and employees are rotated off the holiday prior to the schedule being posted, one of the employees rotated off the holiday will be scheduled for holiday on-call.

However, Float Pool RNs shall be called off only after all Full-Time, Part-Time, and Per Diem employees have been offered the opportunity to be called off. Prior to being called off, Float Pool RNs shall report to the staffing office for possible reassignment.

Moreover, the Employer may balance the schedule for a holiday week by offering to employees, starting with the employee with the greatest bargaining unit seniority, a waiver of the holiday shift obligation in exchange for agreeing to work a non-holiday shift in that week.

48.4.2. Holiday rotation will take precedence over regular work schedule. If the holiday that the employee must work occurs on their regular weekend off, they must work the holiday. **The holiday rotation list/schedule shall be posted for all employees to review. Departments shall make every effort to ensure an equitable holiday rotation. An employee who transfers into a new position may be assigned a new holiday rotation depending on the needs of the unit.**

48.4.3 Arrangements may be made between employees of equal status to switch holidays or to switch weekends to work on the weekend in which the holiday occurs. This must be put in writing, signed by both employees, and approved by Inspira. Inspira shall not approve any agreements to switch holiday shifts more than three weeks prior to the earliest holiday being switched. The employee accepting responsibility to work the holiday pursuant to such an agreement shall have the responsibility to cover any vacancy that may occur if that employee is unable to cover that shift for any reason. Any agreement to switch holiday obligations made between employees of equal status shall not change the holiday rotation for the rest of the year, or for the next year, for either party.

ARTICLE 51- ON-CALL

51.1.2. On-Call Pay

Employees will be paid a rate of \$4.50 per hour for the time that they are on-call but not required to be physically at work ("beeper pay"). On holidays, employees will be paid a rate of \$10.00 ~~\$6.00~~ ~~\$7.50~~ \$7.00 per hour for the time that they are on-call but not required to be physically at work ("holiday beeper pay"). If an employee is called into work under this subsection, that employee shall be guaranteed a minimum of four (4) hours pay. Any additional call-ins after the conclusion of a given 4 hr pay block will then restart another 4 hr pay block. Employees will be paid 1.5 times their regular rate of pay for all hours worked while physically at work ("On-call Pay"). If an employee works less than four (4) hours when called into work, that employee shall receive On-call Pay for actual hours worked and four (4) hours minus actual hours worked at their regular rate of pay. For example, an employee who is called in for two (2) hours of actual work shall be paid at 1.5 times their regular rate of pay for those two (2) hours and paid at their regular rate of pay for the remaining two (2) hours. ARTICLE 54 -- RETIREE MEDICAL TRUST

54.1. General Contribution from Wages

Inspira nurses have voted for mandatory employee contributions to the HPAE Retiree Medical Trust of \$.20 per hour (not to include overtime hours or on-call hours) for each full-time and part-time employee covered by this Agreement. No payroll check-off by employees is required; instead, the employer will transfer one check for this purpose of employee contributions, representing \$.20 per hour for each full-time and part time employee who worked in that month. The monthly per capita amount of employee contributions shall be included in each employee's salary for the purpose of calculating retirement benefits and will be withheld pursuant to applicable law.

54.2. It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article and the Union shall indemnify and save the Employer harmless against any and all taxes, claims, demands, suits, and other forms of liability that might arise out of or by reasons of any action, claim, demand or suit, including any "Cadillac Tax" penalty levied pursuant to the Affordable Care Act, by any person which may involve or be in whole or in part based upon collection or deduction of any money by the Employer submitted to the Retiree Medical Trust pursuant to this Article. Once the funds are remitted to the Trust, the disposition thereafter shall be the sole and exclusive obligation and responsibility of the Trust. So long as the Employer makes payment of the contributions directed by the Union in the amount specified, the Employer shall have no additional liability or responsibility to any of the Union, the Retiree Medical Trust, or the employees for whom the deductions are made. The employer does not agree to be covered by or be bound by Trust Agreement establishing the HPAE retiree medical trust. The employer is not a party to the trust agreement.

54.3. All tax treatment of the amounts withheld shall be in accordance with applicable law as provided in a private letter ruling issued by the Internal Revenue Service to the Union or the Retiree Medical Trust.

54.4. With each payment the Employer shall also submit employee data to identify the amounts paid on behalf of each covered employee, and other information requested by the Trust Office that is necessary for the administration of the Trust and Plan, including employee names, social security numbers or other employee identification number. For new employees, the Employer will report the dates of hire, dates of birth, gender, mailing address, email address and any other information required by the Trust Office, using rules and procedures set by the

Trustees or the Trust Office. (This information is necessary for the Trust to obtain reliable actuarial reports, for the purpose of setting benefit levels.) For employee terminations, the employer will also transmit the last day of employment and the reason for termination (e.g., disability, resignation, retirement). For employees on Leave of Absence, the employer will transmit the LOA dates on the bi-weekly or monthly remittance report."
